WELCOME... and thank you for your interest in Space Coast Education Center. The staff and faculty share your thirst for knowledge, valiant effort to seek a new path, and desire for professional and personal growth. Our programs of study have been created from our commitment to establish high standards of quality, ethical education, and career development. Our primary goal is to prepare you to pass the licensing exams. Our commitment is to assist you in your future endeavors. We look forward to a warm and lasting relationship.

SCHOOL PHILOSOPHY

The primary philosophy of Space Coast Education Center is to offer the student the finest complete training in each program we offer. The administration and staff are dedicated to the development of a program that provides students with a comprehensive understanding of the fundamentals thus creating a solid foundation and enabling them to embark on a successful and rewarding career. It is our profound hope that the learning experience will be enriching for all involved.

LICENSURE

Space Coast Education Center is licensed by the Commission for Independent Education, Florida Department of Education. Additional information regarding this institution may be obtained by contacting the Commission at 325 W. Gaines Street, Suite 1414, Tallahassee, Florida, 32399-0400, toll-free number 888-224-6684. License #1364, and approved by the Florida Department of Health, Division of Medical Quality Assurance, Board of Massage Therapy, 2020 Capital Circle SE, BIN #C06, Tallahassee, FL 32399-3259, 850.488.0595.

STATEMENT OF OWNERSHIP

Space Coast Massage Institute, Inc. d/b/a Space Coast Education Center is a private, for-profit corporation registered in the State of Florida. The sole owners and major stockholders are Richard Stork and Jody Stork.

BOARD OF DIRECTORS

RICHARD STORK, PRESIDENT

A true Florida native, Rick grew up in Brevard County. He spent several years owning a remodeling business and traveling across the United States participating in the Rodeo circuit. He met his wife and business partner, Jody, while receiving medical massage treatments for rodeo-related injuries, and together they began both their family and business ventures.

Rick Stork is President of:

- **Space Coast Education Center**, a Massage and Skin Care School since 1991.
- **Space Coast Massage and Spa**, a tranquil day-spa offering over more than one hundred services provided by licensed massage therapists, skin care specialists, and nail technicians since 1994.

Rick has played an instrumental role in his community as a successful entrepreneur and continues to focus on his commitment to high standards of customer service and ethical standards in the business world.

JODY STORK, DIRECTOR, VICE PRESIDENT, LMT, NMT, NCTMB

Jody Stork is the founder and director of Space Coast Education Center and a highly respected massage therapist in Brevard County. She has been practicing massage since 1985 and has completed specialized training in sports massage, neuromuscular massage, medical massage, and many others. She has served as the official massage therapist for major sports teams such as the Florida Marlins and for Dan Marino with the Miami Dolphins. In addition to teaching at Space Coast Education Center, she has taught at Brevard Community College for nursing, Holmes Regional Medical Center physicians and HEALTHSOUTH Doctor's

Hospital for physical and occupational therapists. She has been instrumental in bringing the field of massage therapy and its benefits into the healthcare industry and thereby gaining widespread recognition in the medical community throughout Brevard County. She generously supports outreach organizations and participates in local events with Vietnam Vets, Parkinson's Assoc., and Hospice.

ADMINISTRATIVE POLICIES

NONDISCRIMINATION POLICY

Space Coast Education Center, Inc. does not discriminate on the basis of race, color, religion, national origin, status as a disabled or Vietnam-era veteran, age, gender, sexual orientation, or the presence of a handicap in the administration of educational policies, school administered programs, and student admittance. All terms and conditions included in this catalog are administered and applied with respect to the education and care of all people.

ADMISSION REQUIREMENTS

Admission to Space Coast Education Center is based upon the following requirements:

1. Must be 18 years of age by the date of graduation.
2. Be a citizen of the United States and/or provide a permanent resident card.
3. Submit a registration with the \$95.00 registration fee and a current picture.
4. Have a personal interview and tour with an administrator of the Institute.
5. Submit a completed official high school transcript stating date of graduation, GED Equivalent or high school diploma.
6. Submit a signed enrollment agreement.
7. All Veterans must provide a copy of their DD214.

ADMISSION PROCEDURES

To register for admission, applicants should contact an admissions representative at the school to schedule an appointment for a personal interview and a tour of the school facilities. At this time, applicants should complete a registration form. A \$95.00 registration fee must accompany the registration form to the school. A certified high school transcript stating date of graduation, GED Equivalent or high school diploma is required before entering school.

ACCOMMODATIONS

Housing or dorms for students are not provided. There are a large number of rental facilities in the Melbourne area to serve the student population.

EMPLOYMENT ASSISTANCE

Space Coast Education Center focuses on preparing students for rewarding and successful careers. There is a wide variety of local employment available. We are pleased to provide assistance to our students as they enter the job market. Our graduates have secured positions in chiropractic offices, medical offices, hospitals, rehabilitation centers, resorts, spas / salons, cruise ships, with professional sports teams, among others. We maintain an employment placement file recording all graduates and their places of employment, as well as the most current employment opportunities available. Space Coast Education Center does not guarantee employment.

CANCELLATION AND REFUND POLICY

In the event a student fails to enter, withdraws, or is dismissed/discontinued by the institution, the following refund policies shall apply:

Refunds are based on the length of time the student was enrolled and attending classes prior to withdrawing from the school in writing. Refunds are applicable to paid tuition only.

Space Coast Education Center will repurchase books if never used or written in, if withdrawal is on or before the first day of class. No other withdrawal policies provide for the repurchase of books after the first day of class. Facial Program Only: Product and equipment fee cost will be refunded if withdrawal is on or before the first day of class (es).

1. Cancellation can be made in person, by electronic mail or by Certified Mail.

2. There will be a full refund of all money paid if the school does not accept the applicant or if the student, (or assigned legal guardian) cancels within three (3) business days after signing the enrollment agreement and making initial payment.
3. Cancellation after the third (3rd) business day, but prior to entering class (es), will result in a refund of all monies paid except for the registration fee.
4. Cancellation after attendance has begun, through 40% completion of the program, will result in a Pro Rata refund computed on the number of hours completed to the total program hours.
5. Cancellation after completing more than 40% of the program will result in no refund.

The termination date for refund computation purposes is the last date of actual attendance by the student unless an earlier written notice is received. Cancellation after attendance has begun; the student is subject to a \$145 termination fee. Refunds will be made within 30 days following determination of termination or receipt of cancellation notice.

The enrollment agreement constitutes a binding contract upon acceptance by the school.

VETERANS' POLICY

Space Coast Education Center is approved by the State of Florida, Bureau of State Approving Agency for Veterans' Training for eligible veterans. Students eligible for VA benefits must contact the Business Manager.

For Post 9/11 GI Bill® (Ch33) students and VA Vocational Rehabilitation and Employment (Ch31) students, our tuition policy complies with 38 USC 3679(e) which means Post 9/11 and Vocational Rehabilitation and Employment students will not be charged or otherwise penalized due to a delay in VA tuition and fee payments. For eligibility consideration, a Post 9/11 GI Bill student must submit a VA Certificate of Eligibility (COE), and a Vocational Rehabilitation Student must provide a VAF 28-1905 form. [Please list all additional requirements your school will ask a student to satisfy which are permitted under 38 USC 3679(e)] Please see 38 USC 3679(e) for complete details.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at www.benefits.va.gov/gibill.

VETERANS' REFUND POLICY

The refund of the unused portion of tuition, fees, and other charges for veterans' or eligible persons who fail to enter a program, withdraw, or discontinue before completion, will be made for all amounts paid which exceed the approximate prorated portion of the total charges that the length of the completed portion of the course bears to the total length of the program. The proration will be determined on the ratio of the number of days or hours of instruction completed by the student to the total number of instructional days or hours in the course.

WITHDRAWAL

Students choosing to withdraw from the program prior to completion are asked to schedule an exit interview with the Student Services Coordinator or designee. Students that are absent, without notification, for three consecutive days may be considered withdrawn from the program. Students with absences exceeding 50 hours of the program may be considered withdrawn.

The student's withdrawal date is determined by the date of the last class attended. The school administrators determine reinstatement. Any student withdrawing for any reason prior to the completion of the program may re-enroll for the next term and must have their remaining hours completed before the end of that term.

ATTENDANCE POLICY

Students are required to attend all scheduled classes. There are no excused absences in a clock hour program. Therefore, all missed classes must be made up in an alternate scheduled class between classes or on Fridays.

TARDY POLICY

Classes begin directly on the hour. Any student arriving after class begins is considered tardy. Any time missed due to tardiness must be made up according to the makeup policy.

MAKE UP POLICY

For each class day or portion thereof missed, the student will have to attend scheduled class (es) outside of their normal class schedule. PLEASE NOTE: This does not supersede the grading policy. It is the student's responsibility to obtain all missed work from Student Services. All tests and / or quizzes must be made up on the next scheduled class day. Banking hours is not permitted. NOTE: Banking hours is defined as the accrual of hours before time is missed to be utilized for such make-up.

LEAVE OF ABSENCE

A student may submit a request for a leave of absence, not to exceed 10 days. However, all scheduled tests must be taken prior to absence (unless material covered while absent is included on such tests). Conditions for a medical leave of absence will be decided upon by the Director and only with official notification from a physician. Students should refer to school policies regarding the published maximum length of time permitted to successfully complete each program. All arrangements must be pre-approved and scheduled by the Student Services Coordinator.

PROBATION POLICY

If student performance in academic or practical areas of study is not maintained, according to the grading policy, and there is serious concern about the probability of a student successfully completing the program, for any reason, he/she will be placed on probation for a period of time not to exceed four weeks. A plan of action will be devised for the student's success, which may include the retake of missed / failed tests. This plan of action must be followed, or dismissal may result. This may result in extra expense if the student requires tutorials and/or retaking a section of the program to achieve a passing grade. If noticeable improvement is not shown during the probationary period, the student may be dismissed from the program. Noticeable improvement, as determined by the instructors and/or school administrators, will conclude the probationary period.

NOTICEABLE IMPROVEMENT is defined as bringing the object of probation into compliance with current rules and regulations.

SERIOUS CONCERN is defined, as the likelihood of the student achieving and/or maintaining the minimal grade, according to the grading policy, is highly questionable.

SUSPENSION POLICY

In lieu of immediate dismissal, the Administration reserves the right to suspend any student for a period not to exceed 10 class days considering the following mitigating factors:

1. Repetition of offense
2. Severity of offense

Upon completion of the granted suspension, prior to the students return to the program, the Director or Assistant Director shall initiate a meeting with the said student to outline the requirements to be maintained for successful completion of the program.

Failure of the student to fully maintain such requirements for the remainder of the program will cause the student to be immediately dismissed from such program without further recourse.

A student on suspension is barred from visiting privileges and class attendance at Space Coast Education Center. All the time and coursework missed, because of suspension shall be the responsibility of the student. The student will not be charged for make-up time imposed upon them during such suspension. The timeframe for make-up will be commensurate with the suspension length multiplied by two. (See make-up policy for details)

ADVISEMENT

The Director and Administrators are available to assist and advise students upon student request, regarding program-related issues only. Ongoing support between students and staff is an integral part of our school and we are happy to provide information and referral sources to any student who feels that they may require professional assistance for matters of a personal nature.

CODE OF CONDUCT AND GROUNDS FOR TERMINATION

1. Students are required to maintain their studies according to the Grading Policy and/or fulfill the requirements of academic probation.
2. The enrollment agreement must be honored in its entirety.
3. Students shall not possess, use, or distribute illegal substances, drugs, or alcohol on school property or as part of any school activity. Space Coast Education Center is a tobacco free facility.
4. Students shall not attend class under the influence of alcohol or illegal substances or prescribed medications that alter consciousness or pain recognition.
5. Students shall have no more than three consecutive days of unexcused absences without notifying the administration.
6. Students exhibiting emotional instability as determined by the judgment of the administrators shall be required to meet with the Director or authorized staff member.
7. Students shall not behave in a manner that is potentially dangerous to other students, clients, or themselves.
8. Classroom nudity is prohibited.
9. Behaving in a manner that may be harmful to the reputation of the school or to the related Professions.
10. Students shall refrain from behavior considered disruptive and/or disrespectful to the instructors, fellow students and administration.
11. Failure to meet financial obligations, comply with attendance policies or any other rules and regulations described in this catalog.
12. Academic Integrity - any student caught cheating may be dismissed from the program without warning.

Disregard for any of the above points may constitute grounds for dismissal. Reinstatement following dismissal is at the discretion of the school administration.

STUDENT GRIEVANCES

Mutual respect is a core value that we endeavor to represent to our students. It is requested that students with grievances do not repress or ignore their feelings. Our goal is to make the education process as mutually enjoyable as possible for students, instructors, and staff. Any student wishing to express dissatisfaction with an instructor, staff member, or fellow student must follow the following grievance procedures to resolve any differences amicably and promptly. All people are expected to participate in the grievance resolution process in good faith. To file a grievance, the student must complete a formal Grievance Form (available from the school office) and return it to the school office for delivery to the Assistant Director. Grievances must be filed within thirty calendar days from the time of the incident in question.

1. Speak directly with the person involved and make sure there are no misunderstandings between the parties.
2. Speak with the instructor (if class related).
3. If not resolved between the parties, write the problem on a grievance form and return it to Student Services or School Administration and all parties involved will speak with the Student Services Coordinator.

4. If not resolved, all parties involved will speak with the Assistant Director.
5. If not resolved, all parties involved will speak with the Director.
6. Written responses from the administration are given within 5 working days.

STUDENT COMPLAINT/GRIEVANCE PROCEDURE

If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Commission for Independent Education, Florida Department of Education. All complaints considered by the Commission must be in written form, with permission from the complainant(s) for the Commission to forward a copy of the complaint to the school for a response. The Commission will keep the complainant(s) informed as to the status of the complaint as well as the final resolution.

Please direct all inquiries to:

Commission for Independent Education
Florida Department of Education
325 W. Gaines Street
Suite 1414
Tallahassee, FL 32399-0400
1-850-245-3200

A copy of the Commission's Complaint Form is available in the student services office.

STUDENT RECORDS

Permanent records are kept for all students, both past and present. Student files are confidential and cannot be released without a student's written consent. Students may access their files by submitting a written request to the Student Services Coordinator. Only after written submission will Student Services arrange for the student to view his/her file within five working days and only during regular school hours. Any student requiring records to be sent to a third party may do so by filling out and signing an "Authorization to Release Student Records" form. There is a \$20.00 charge for each copy of transcripts and a \$20.00 charge for each duplicate diploma.

DISCLOSURE OF EDUCATIONAL RECORDS

Space Coast Education Center will disclose information from student educational records only with the written consent of the student, with the following exceptions:

1. School officials who have a legitimate educational interest in the records.
2. Officials of another school request whether the student seeks or intends to enroll at that institution.
3. Certain officials of the U.S. Department of Education, the Inspector General, state and local educational authorities in connection with state or federally supported education programs.
4. Organizations conducting certain studies on behalf of the school.
5. Accrediting commissions to conduct their functions.
6. Comply with a judicial order or a lawfully ordered subpoena.
7. Appropriate parties in health or safety emergencies.

If a student requests a copy of their records, a charge of \$.10 per page will be applied. Payment must be made before copies will be provided.

TRANSFER OF RECORDS

Veteran students will be evaluated for prior training. Credit will be granted if appropriate, with tuition and training time adjusted proportionately, and proper notification of both the Veteran's Administration and the veteran. (This is found in Title 38, Code of Federal Regulations, sections 21.4253 (d) (3) and 21.4254 (4).

Space Coast Education Center will not accept any other transfer of credits. There is no granting of credits for work experience or examination.

Space Coast Education Center cannot guarantee that its credits will transfer to another school. Students are advised to check with the receiving school before assuming any or all credits will be transferable.

DRUG / ALCOHOL ABUSE POLICY

Because the likelihood of success is dramatically reduced for students who abuse drugs, Space Coast Education Center is determined to have a drug-free campus. Usage of any drugs (illegal or prescription), or alcohol or any substance that alters pain or consciousness, will not be tolerated on campus or at any Space Coast Education Center sponsored event off campus. Space Coast Education Center requires applicants to commit themselves to obeying the law and refraining from any usage of drugs and alcohol activity on its campuses and at its events. A student who is convicted of a drug-related offense that occurred on campus or while in attendance at a school event will be sanctioned up to and including suspension or expulsion. The school has the responsibility to refer to prosecution anyone engaging in illegal drug or controlled substance activity on its campus or off-campus events. A student who is convicted of any drug offense must report it to the Student Services Coordinator on his/her campus within five days. Students may contact the same office for an explanation of appeal rights for each step of the disciplinary process.

SMOKING POLICY

It is our intention to create a smoke-free environment for our employees, clients, and students. SCMT & SCMI prohibit smoking and/or vaping inside and in front of the building. If you smoke and/or vape, please ask about the appropriate areas where smoking is permitted.

We support all our employees, clients, and students in choosing a healthy, nonsmoking way of life.

GRADING SYSTEM

1. The Following scale will determine the grade received on any written examinations:

A	92% - 100%	4
B	83% - 91%	3
C	75% - 82%	2
D	67% - 74%	1
F	66% - below	0

2. Student progress is assessed regularly by written major exams and quizzes. The student must maintain 75% or better in all courses of study. Each student is informed of his/her progress through quarterly progress reports.
3. Students will be given practical evaluations in massage therapy classes.
4. Any student failing to achieve and maintain satisfactory progress will be placed on probation. Full-time students have 9 months maximum (half-time students have 18 months maximum) to complete the program with a minimum of 75% (C) before they must retake the entire failed portion of the program. (See Probation Policy).
5. Students must have a minimum grade of 67% (D) by the end of the first quarter or they will be placed on probation.
6. The students must achieve a minimum of 75% (C) at the midpoint of the term or they will be placed on probation or dismissed.
7. The students must achieve a minimum of 75% (C) in all courses and practical evaluations before he/she is permitted to graduate.
8. All students must achieve a final minimum of 75% (C) in both the Anatomy and Physiology as well as massage therapy portions of the course before they are permitted to graduate.

SATISFACTORY ACADEMIC PROGRESS POLICY (MINIMUM STANDARDS)

Students must meet an academic performance of 75% (C) at the midpoint of the term or they will be placed on probation or dismissed.

All Students must receive a 75% (C) or better in the program before they are permitted to graduate.

Students will only be allowed one retake of a failed test and will receive an average of their (2) two scores or a maximum of 75%.

Any student failing to achieve and maintain satisfactory progress will be placed on probation by the institution. Satisfactory progress is defined as meeting the minimal required attendance, grading, code of conduct and financial obligations.

Students must complete their educational objective within a given time frame.

CERTIFICATION AND LICENSURE INFORMATION

Florida requires licensure for practicing massage therapy. Space Coast Education Center offers students an 800-hour program, which is approved by the Board of Massage Therapy and prepares the student for an entry-level position in the field of massage therapy. Upon completion of the program, the student is eligible to sit for the MBLE^x (Massage & Bodywork Licensing Examination).

FSMTB MASSAGE EDUCATION POLICY

Effective July 1, 2017, candidates seeking access to the MBLE^x will be required to substantiate either:

- c. Enrollment in and having received education and training in all subject areas of the MBLE^x Content Outline form and approved massage therapy education program; or
- d. Graduation from an approved massage therapy education program

Substantiation documentation must be submitted to FSMTB directly from the education program.

Licensure in other states, municipalities, and townships may differ; therefore, it is recommended that students determine what is required for licensure in the area in which they are planning to work. Space Coast Education Center will assist students in determining licensure regulations in other states and municipalities if requested.

REQUIREMENTS FOR RECEIVING A DIPLOMA

Upon graduation students will receive a diploma stating the successful completion of the training program. In order to receive a diploma the student must have completed the 800-hour program, completed all class assignments, satisfactorily mastered all of the classes of study, complete 425 student massages, passed all final exams, paid all tuition and fees in full and complied with the rules and regulations of Space Coast Education Center. In addition, all borrowed or rented material must be returned to school prior to graduation.
